Dear Friends,

Income from handwork helps with purchase of handwork tools/supplies, food, clothing, health care, and personal needs.

My handwork is created with prayer, love, and in companionship with Mary, Our Lady of Tenderness.

My primary ministry to pray and prayerfully create is not to be burdensome. So I simply ask that you remember me when you may need a small item to express your love.

You may be certain prayer is lifted for you and yours daily!

May we all make room for Christ in our lives, as did Mary. When Christ finds our hearts open and available to His love, He promises: "your hearts will rejoice with a joy no one can take from you" (Jn 16:22).

God's peace to your hearts!

Sister Hilma
